# Dive into the details of Europe's historic newspapers.

Europeana Newspapers is a network of 18 public and private institutions. Together we are aggregating 18 million historic newspaper pages for Europeana ([www.europeana.eu](http://www.europeana.eu)) and The European Library ([www.theeuropeanlibrary.org](http://www.theeuropeanlibrary.org)). We are also creating an interface so these newspapers can be filtered by keyword, language, year of publication and holding library. For professionals, we are building tools to better assess the quality of newspaper digitisation.
